

Advert Code: EM.SMO.02-2017

**MINISTRY OF HEALTH  
BRUNEI DARUSSALAM**

**Specialty Area: Emergency Medicine**

**Post** : Senior Medical Officer Grade II  
**Pay Scale** : ( MD17 ) BND\$6,060.00 / Month  
**Ministry** : Ministry of Health

**Job Description:**

A Senior Medical Officer in the Emergency Medicine Services would be responsible, but not limited, to:

- be responsible for the safe and efficient assessment of Emergency patients
- Work under consultant supervision to lead the resuscitation of all critically ill and injured patients
- Participate in the management of ward based patients and liaise effectively with other specialty teams in relation to patient referrals
- Responsibility for the proper functioning of the Emergency Services, including the supervision of more junior medical staff
- Supervise handover at the end of each shift.
- Teaching and training of junior medical staff including from other medical disciplines, medical students, nursing and support staff as appropriate and to balance with service demands.
- participate in clinical risk management, audit and research activities

Senior Medical officers will be required to work in any of the government or its affiliate's hospital/ Health centres and where necessary will be required to cover work in related specialties or in hospital other than the primarily assigned workplace. Doctors will also be required to do medical cover duties for major national events and be prepared to be involved in any national disaster.

**Job Requirements:**

- Possess a Primary Medical Degree; MBBS or its equivalent and registrable with the Brunei Medical Board
- Must have completed Basic Specialty Training Rotation or its equivalent in the relevant specialties
- Have relevant Post-Graduate qualification in the specialty applied, e.g. Membership of the Royal Colleges or a Master's degree in Emergency Medicine or its equivalent. Ideally Membership of the College of Emergency Medicine is preferred.
- Have working experience of more than 5 years in the relevant specialties is preferred.

**What is expected:**

- Support the core values of the Ministry
- Have good communication skills and must be a team player
- Be kind, caring and show empathy to patients and relatives
- Be prepared to be assigned for work at any time and places required by the service.
- Be familiar with Information Technology and comfortable working using electronic clinical records
- Keen to learn and have own initiatives for self-development (continuing medical education) and are required to show progression in own training within the 3-year contract.
- Be involved in academic, research and audit activities.
- Be proactive; have initiatives to develop and enhance the services
- Be flexible and willing to work hard
