TRAINING OPPORTUNITIES FOR PRIMARY HEALTH CARE NURSES

Armah Tengah
Programme Leader Nursing And Midwifery
PAPRSB Institute Of Health Sciences
Universiti Brunei Darussalam
Today I will......

- Introduce about programmed offered at IHS and GenNext Curriculum
- Outline Nursing and Midwifery programme at HIS
- Outline curriculum of Bachelor of Health Science (Nursing) curriculum
- Explain about the educational method and assessment
PAPRSB Institute of Health Sciences, UBD

VISION
• To be recognized as a top ranking health sciences education, research, and service institution in Asia.

MISSION
• To provide high-value education, conduct high impact research, and extend outstanding community service.

VALUE
• The core values are Lead, Develop, and Boundaryless.
Introduction

- The PAPRSB Institute of Health Science offers Bachelor of Health Science (BHSc) degree with a choice of four Majors:
  - Medicine
  - Biomedicine
  - Nursing
  - Midwifery

- Bachelor of Health Science (Nursing) was first offered in August 2009
The GenNEXT Curriculum

- Is a student-centric approach to education and lays the foundation for life-long learning.
- To equip students with essential skills of critical thinking, reasoning, communication, quantitative analysis and with both a national and global perspective.
- Three principles embedded in all the GenNEXT modules are:
  1. Entrepreneurship
  2. Leadership and innovation
  3. Environmental Awareness
• Is designed to enhance students’ knowledge and competency in specific disciplinary areas as well as broad-based knowledge outside their major discipline.

• It involves a balanced combination of depth and breadth.

**Year 3**
Major Options
(specialty areas: 3 option modules)

• Cardiac Nursing
• Critical Care Nursing
• Children Nursing
• Emergency Care Nursing
• Mental Health Nursing
• Operating Theatre Nursing
• Primary Care Nursing
• School Health Nursing
• Community Health Nursing
Year 4 - Discovery Year

Programmes: Any one or combination of the following:
1. Study Abroad Programme (1-2 semesters)
2. Internship (Local or Abroad) (1 semester)
3. Community Outreach Programme (1 semester)

Duration:
2 semester long (32mc)
Discovery year

Grade Points Average (GPA)

3.5 & above = SAP / Internship = USA, UK, Australia

2.0 and below 3.5 = Internship / COP= ASEAN Countries

Below 2.0 = Local Internship
Educational Methods

Interactive, student-centred pedagogies

- Classroom
- Skill/simulation lab
- Interprofessional Education
- PBL
- Self directed
- CBL
- Clinical Teaching Sites
- Nursing Courses
- Reflective Practice
Simulation Learning
Assessment

- **Coursework:**
  - Group projects
  - Written assignment – case studies / care plan / health education report / reflective essays.

- **Examination:**
  - Written examination
  - OSCEs of essential skills.

- **Continuous Clinical Assessment:**
  - Clinical learning log.
  - Reflective Journal
Thank You
