

# The Empire Hotel & Country Club

## MAGNIFICENT SEVEN (MAG 7)

- ❑ Addresses issue on usage & most importantly conservation in March 2007.
- ❑ The First initiative for the Organization was the creation of the Energy Conservation Team namely MAGNIFICENT SEVEN (MAG 7).
- ❑ The objective to conserve, monitor and maintain energy and resources. Deferring from multitude of department The M7, manage to cumulate an amount of 11% of reduction in term of energy usage on the first year; and followed with a further 8% the year after (2008).

Below are some of the initiatives done as the process to get result of the above:

- ✓ Scheduling of lighting
- ✓ Schedule of pump motors & under water lights
- ✓ Zoning-isolation of rooms in terms of building use according to occupancy
- ✓ Scheduling of chillers and condenser usage
- ✓ Creation of posters and notification through out the hotel
- ✓ Constant reminders on initiative of the hotel
- ✓ Training on conservation for operation and administration
- ✓ Other measures
