6. Furthermore, in relation to bookings to perform Friday Prayer, the Ministry of Health would like to remind any jamaah who is still not ready and have concerns to perform the Friday Prayer at the

mosque to not make any bookings in the BruHealth system. However, for those jamaah who have booked but at the last moment feels unwell, are advised to click on the “I am not going” button in the BruHealth system. This takes into account the filling of the slots in the selected mosques, musalla and surau, and hinders other jamaah from making their bookings. Therefore, by not booking the slot or by clicking the “I am not going” button, it will release the slot and consequently will allow other jamaah who wishes to really attend to get a slot to perform their Friday Prayer.
